

This Is Our Time!

Our Work Counts Now More Than Ever

The times have changed – from sea to shining sea and around the world. More hatred, more violence, more freedoms being threatened.

In Bay County, the Unitarian Universalist Fellowship of Bay County stands as a **beacon of hope**. A welcoming home for all where kindness and love prevail, and standing up for social justice is at the core of our daily work. **THIS IS OUR TIME**, folks – the time for us to be together in both word and action, and stand should-to-shoulder for the greater good.

LET'S STEP UP IN UNITY!

"It's like home, a safe and caring place where I can be me."

UUFBC is many things to many people. At the root, you will find **acceptance**. That's exactly why it works for so many in the Bay County area. Now we need to do the work to keep our doors open and our **outreach growing strong!**

Our Pledge Drive

As members of UUFBC we each do our part to support the Fellowship's programs and goals by sharing 3-T's: our Time, our Talents, and our Treasure. The amount you give is unique to your capabilities so evaluate your contributions in the totality of your 3-T's. It's up to each of us, and all of us in the, to keep UUFBC strong.

In advance of budget approval, we conduct a Pledge Drive. Pledging is a much better way to budget realistically than merely guessing how much money will be donated. That is why all members are asked to pledge. What can you do? Please consider what UUFBC means to you and the community as you prepare your pledge form. **This Is Our Time!**

Your Dollars At Work

Our draft budget outlines wishes and goals. Among the priorities?

- **Social Justice** programs and outreach activities, which support others, and make our community stronger.
- **Religious Exploration** classes and programs for adults and children, to learn more about the world around us.
- **Quality music and speakers** for Sunday services – the heart of UUFBC.
- **Grounds/Operations**, such as keeping the lights on and – due to ongoing leaks – installing a new roof in the coming fiscal year.

Everything we do to expand the reach of our gifts happens because we come together as a community and pledge to make it possible.
