UUFBC E-News Edition 21, July 2021-June 2022

Reverend Ruth's Reflections

Hello Bay County UUs!

I've been working on my tax returns, watching the news from Ukraine, catching up on housework and escorting family members to doctors and dentists for routine exams. Nothing like Spring Break to leave one exhausted!

Life does seem to be a long "to do" list sometimes, and I often feel like I barely cross things off before more are added on.

Determining what really matters and then focusing one's attention and energy on those things is a kind of spiritual practice. Many voices will criticize those choices, and try to drag us back to what is peripheral and less important.

I would hate one day for my eulogy to say more about how neat and tidy I kept things than how much I loved and cared. Fortunately, if you saw my house, you'd know there's no danger of that!

May your springtime be filled with significance and spiritual enrichment alongside any seasonal tasks you must address!

In wisdom and grace,

Rev. Ruth

From the Board

The UUFBC Board of Directors announces the “Growing in Generosity” 2022 Pledge Campaign.

This Sunday, April 10th, is the kickoff for our Annual Pledge Drive. The Drive will continue for 2 weeks with Sunday April 24th designated as the last day to turn in your pledge. Pledge packets will be handed out at our worship service, and if you are unable to attend, we will be happy to put yours in the mail. Pledges may be returned to the “Pledge Box” located in Fellowship Hall, or they may be returned by mail. All packets have an addressed envelope for your convenience. Pledges are confidential and are accepted and compiled by the Treasurer.

Pledge drives are not usually viewed as fun, although we will try to make it a little more fun this year. But they are a necessity! The Board takes the pledges and uses them as a basis to develop a budget for the upcoming fiscal year. The Board must draft the budget and have it ready to be presented at our Annual Meeting in May.

We encourage you to attend the worship service this Sunday so that we may present your pledge packet in person, which would save on postage! Everyone who attends will be entered in the drawing for a door prize, given away on Sunday. Plus...we will have some great homemade treats after the worship service!! So, please come join us this Sunday and “Let’s achieve change together through the gift of giving.” Let’s grow in generosity as we grow our Fellowship.

The UUFBC Board of Directors respectfully requests that you review the status of your 2021 pledge.

As the Board begins to prepare a budget for the upcoming fiscal year, it has reviewed the 2021 budget and become aware that the Fellowship is facing a shortfall in this year’s pledge receipts. The Board is not asking members for more than each can comfortably afford. At the same time, the Fellowship’s ongoing operation depends on members fulfilling their financial commitments. If you find that you have some catching up to do, please take action soon as this fiscal year will be drawing to a close.

If you would like to check your pledge amount or the amount you have paid to date, contact Bob Nixon, UUFBC Treasurer, and he will provide you with the information. E-mail Bob at bobnixon2000@gmail.com Thank you for your help keeping our Fellowship on track.

The UUFBC Board of Directors announces NEW COVID Policy that is effective immediately.

The Board has re-evaluated the Fellowship’s COVID Policy in response to changing guidance and membership feedback. Effective immediately, masks are optional in Fellowship Hall, EXCEPT that masks are required when singing and during group recitation.

We will continue to maximize ventilation and fresh air circulation throughout the building. Please be sensitive to different comfort levels regarding socially distancing and respect others’ spatial boundaries.

Thank you for your support and cooperation,

The UUFBC Board of Directors: Bob Gilmore, John Shaffer, Lynne Siegfried, Bob Nixon, Janet Cross and Matt Raver

Worship Services at our Fellowship

Our Soul Matters theme for April is **“AWAKENING”**. Monthly themes focus on our relationship with our times, and on the central work and spiritual practices needed during this period of radical change, challenge, crisis and opportunity.

April 10th **Cindy Gregory** **“Publishing Then and Now”**
Over the years, publishing barely changed until the twenty-first century. With the invention of personal computers, email, and e-readers, new avenues of publishing sprang up and flourished...until recently. Now the publishing biz is more like the Wild West. Join us on the journey from then until now, guided by our new member, Cindy Gregory.

April 17th **Ken Sizemore** **“Songs of Justice, Equity, and Compassion”**
This week’s service is a musical one, featuring our favorite troubadour, member Ken Sizemore. Ken will help us celebrate our 2nd UU Principle, Justice, Equity, and Compassion in Human Relations, through songs and narration to illustrate ways both large and small in which this principle is vitally important to our world and our own individual lives.

April 24th **Reverend Ruth Vann Lillian** **“Coulda, Shoulda, Woulda”**
When we take risks, we make mistakes, and then feel regret and sometimes remorse. Can we have a rich, full life without risks? When they ask what we did best, what shall we tell them? Reverend Ruth will be in Fellowship Hall for this service.

Zoom: You may also join us remotely this Sunday by using the Zoom link: <https://bit.ly/3hWkhEI>
Please tune in by 10:25 am so you will be connected when the service begins at 10:30 am.

Note: If you join us in person this Sunday, plan to remain socially distanced. Masks are optional, but must be worn by those who sing or participate in the responsive reading. Please do not attend in person if you are not feeling well or have any COVID symptoms.

Community Corner Family Services Agency

Recycle, Reuse, Reduce: Help the planet and our local community! UU Principle 7 "Respect for the interdependent web of all existence of which we are a part".

If you are wondering how you can recycle your aluminum cans and do some good; we have an answer! Bring your aluminum cans from home to the UUFBC. We will collect the cans and take them to Family Services. Family Services gets (almost) enough cash from cans to pay their electric bill.

Place clean cans (aluminum only) outdoors in the blue trash bin next to the dumpster, preferably in plastic bags. You may reuse your plastic grocery bags for this purpose. There is also a green can in Fellowship Hall by the entry door, that is available a couple cans at a time for your convenience.
