

Unitarian Universalist Fellowship
of Bay County

Hello UUFBC Member,

Thank you! Thank you for being a vital part of our blessed community; and yes, we are all a vital part. As we have discussed before, each of us brings our unique ideas, talents, and support to the one-of-a-kind tapestry of our UU Family and we are all the better for it.

Another vital aspect of keeping our community thriving is not only our time and talents but our treasure. As we kick off the 2024-2025 Pledge Season, please keep in mind the impact every dollar can make in creating a Fellowship that helps you thrive. As you know, our open-minded and open-hearted community is an oasis for many of us in the conservative panhandle of Florida and we must continue to provide that refuge for like-minded people in Bay County. With your financial support, we can do that and hopefully more.

In the coming year, we'd love to fund more Religious Education programs, improve our aging facility, increase social justice efforts, improve our music program, and seek out more amazing Sunday speakers! Remember, the more we put into our community, the more we will benefit from it.

On behalf of the Board of Directors, we thank you for your generous pledge...be it \$10/month or \$500/month. Give what you can, it is all greatly appreciated and welcomed!

Blessings,

Charissa Thacker
